

Education Matters – Parents, are you in Panic Mode?

Returning to school can be a stressful time for Parents and Grandparents. Let Tuition Time take the stress and hassle out of schooling for you. We don't want your children's Maths results causing a breakdown in your family.

We encourage students to set goals that are achievable and the results are often beyond their expectations.

Do you have to keep reminding your child about their homework? Many Parents and Grandparents I talk to don't want that hassle and stress in their lives. At Tuition Time, you will be pleasantly surprised at your child's results and furthermore, we can help them to be responsible for their own homework and assignments.

Our results over the last ten years have been phenomenal.

1. Every one of our School Certificate students achieved their goals in Maths and English. One girl from Regional College was expecting a Band 3 in English, hoping for a Band 4 and achieved a brilliant Band 5. Band 6 is the highest award.
2. In the Higher School Certificate, a young lady from Heritage achieved 89% in Chemistry and enabled her to enter The Australian Defence Academy and train as a Navy Helicopter Pilot.
3. Almost 32 of our HSC Students achieved their goals or higher. Three girls at MacKillop gained 95%, 93% and 91% in General Maths, some coming top in their subject.

Please ring 65840707 for an interview and free Diagnostic Test!
Do it NOW and remove all that panic and stress.

Remember, *Failure to prepare is preparing to FAIL.*

Howard Boughton

Howard is the former Principal of Southern Highlands Christian School, Bowral. He has been a Teacher and Administrator in both State and Independent Schools for over 40 years. Mr Boughton has served on the National Curriculum Committee in 1990 and was a presenter at the International Christian Teachers Conference at Darling Harbour in 1996. He is currently the Director of Tuition Time Learning Centre in Lord Street Port Macquarie.
